

REWARD YOUR CORPORATE TEAM WITH AN AUTHENTIC TEXAS EXPERIENCE

DEEP IN THE HEART OF TEXAS!

CHAMPION
R A N C H

Literally, the geographical center of Texas is located on Champion Ranch, which exudes the spirit of hospitality Texas is proud to be known for. Our 8,000+ acre ranch just north of Brady offers a secluded atmosphere, five star luxury accommodations, and all-inclusive amenities amidst the hill country beauty of Central Texas. Champion Ranch is the place to relax, rejuvenate, and bond while building successful team strategies in a private and confidential environment.

After the work is done, let your team unwind and enjoy a continual array of activities including Florida bass fishing on our 18+ acre lake, soaking in our resort pool and hot tub while watching a movie on our 20' outdoor theater screen, or appreciating a breathtaking Texas sunset. Take a crack at our long range shooting facility, sling some arrows at the life-size archery range, compete on our challenging, fully lit Skeet/Five Stand range, or even hole some putts on the poolside putting green all in the name of stress relief. This is not your average retreat destination – Champion Ranch is one of a kind!
