

BRING THE WHOLE FAMILY TOGETHER FOR AN UNFORGETTABLE TEXAS EXPERIENCE!

Champion Ranch isn't your average family vacation/reunion destination. Located in Brady, Texas, our 8,000+ acre ranch is literally in the "Heart of Texas". This one-of-a-kind location is the perfect place for your group to relax, refresh and recharge. With no crowds or schedule to follow, each family member can be as active as they desire or can simply unwind. Spend the day swimming, relaxing around our beautiful resort pool or soaking in the hot tub. The more adventurous can enjoy a photo safari, Florida Bass fishing on our 18+ acre lake, hit golf balls off our tee box or perfect your putt on our putting green. Kids and adults alike will be sure to find something remarkable at the Ranch - where experiences turn into lifelong memories.

Accommodations at Brady Champion Ranch are much more than just accommodating. The 7,500 square foot Main Lodge includes a large living room area with pool table and houses four guest suites. Additionally, six Casitas are connected to the Lodge by lighted pathways and offer wooded seclusion. Group packages range from 10-40 guests. Whether you're looking for adventure or just a relaxing get-together, it would be our pleasure to customize your ultimate family vacation.
